## **PTA 100% TAX DEDUCTIBLE DIRECT DONATION DRIVE IS UNDERWAY**

Now through November 30<sup>th</sup> the Terra Centre PTA is once again holding the 100% tax deductible, Direct Donation Drive to raise the necessary funds needed to support the many wonderful academic, social, and cultural programs offered at Terra Centre. We pledge that if we reach our goal of \$20,000, by November 30<sup>th</sup>, this will be the **ONLY MAJOR FUNDRAISER OF THE YEAR**. If we do not reach our goal we may have to have additional fundraisers or cut student programs and resources from our budget. Please reach out to grandparents, aunts, uncles, family friends and businesses, and matching employers, who would like to contribute to the success of Terra Centre.

A recommended amount of \$50 per child (only \$5 per month)

[Click here for more information on donating](#)
